**2009**

**to copytron.**

**We warmly welcome you into our family to work towards a more lucrative and optimistic future.**

**The fast developing digital technology has caused radical changes and created vast opportunities for the photocopying and laser printing industry. The popularity and wide use of multi-function copying and laser printing equipments are the main attributes.**

**With rapid and high economic growth in countries like China and India, the Asian region has fast become a growing market for copier and laser printer consumables.**

**The Copytron Group has been in this industry for an extremely fruitful length of 25 solid years. Every last minute and second has been spent devoting ourselves in the Research & Development of our products. We have also been working closely with well known toner manufacturers, producing high quality products distributing throughout Asia, Middle East, Africa and Latin American markets.**

**Innovation and continuous development of benchmarking quality toner is our mission. Our vision is to provide high quality products to every individual regardless of race, language or religion. We push forward relentlessly, forging an everlasting bond with our partners to achieve mutual trust and prosperity.**

**I hope you enjoy your stay in our beautiful country of Singapore and that this exhibition has been both informative and positive.**

**Yours Truly,**

**Terry, K.H. Tan**

**Managing Director**

# INDEX

|                              |   |             |
|------------------------------|---|-------------|
